

Battery Pack

SB-201P

General

The SB-201P battery pack is a rechargeable battery which is used on a PVM-2701 or PVM-2703 bedside monitor.

Safety Information

⚠ CAUTION A caution alerts the user to possible injury or problems with the instrument associated with its use or misuse such as instrument malfunction, instrument failure, damage to the instrument, or damage to other property.

Pay attention to all safety information in the Operator's Manual or Installation Guide.

⚠ CAUTION

Read the bedside monitor operator's manual for handling and safety of the battery pack.

This Safety and Performance Information is an extract from the general and safety information sections of the most recent edition of Operator's Manual or Installation Guide. Therefore, the contents of your Operator's Manual or Installation Guide may differ from those of this Safety and Performance Information. For detailed operating procedures, follow the instructions of your Operator's Manual or Installation Guide.
